Fifteen Days' Clearance Sale

Begins To-Day and Closes Saturday Night, January 11

This is something more than our Annual Sale. Mr. Abbott is to retire from the business. This means at this time just this: You are to buy DRY GOODS at a larger sacrifice than you have ever bought them from us before.

Everything In Our Store at a Special Sale Price

Nothing laid aside or at old prices. Everything marked down. This means Munsing Underwear, Spool Silk and Thread, that never have been in a sale before; everything.

Some of the greatest bargains are in our Garment Department. Our stock here is large. Prices must effect a quick sale. You can now buy for next year with an assurance that you are saving nearly half of your money.

Some have an idea that Dry Goods will be cheaper later. Conditions do not show any reduction. These prices are less than you will see things again for two years at least. We are sure of this assertion.

Buy now for spring and summer uses. Buy before the stock has been picked over. Remember, we are not buying any goods; that we are selling these goods for less than we can put new goods in stock. We are getting this stock into money as fast as possible. New people will handle this store after February 1.

Make out a list of your wants. Come here at once and see what the saving will figure out. The following are only just an idea of our sale prices. Everything at a big saving.

IT'S UP TO YOU! Can you see where there is any possible chance of any kind of staple Dry Goods being manufactured this next year at a less price than last year? We cannot, and Dry Goods experts agree with us. Now, then, this is your opportunity to save a part of your money by investing in this sale. All the markdown we are making is to you just so much saved.
